Ironclad® VR PRO

TAMPER- AND VANDAL-RESISTANT
CORRECTIONAL CELL LED FIXTURE

SHAT-R-SHIELD TO THE RESCUE!

Shat-R-Shield Lighting recognized the need for an LED Fixture line to eliminate, or drastically delay, tampering or removal of a light fixture within correctional, institutional, and recreational facilities. The Ironclad® VR Product Line offers adequate light output with wall-to-wall coverage, along with a night light per DOC Guidelines, all the while withstanding extreme abuse in the most rugged of environments. Built to perform for years to come.
