AMERICAN CLASSICS MADE EASIER

When it comes to classic, hometown looks – these fixtures don't over-complicate things. What's better is that at SLG Lighting we've engineered the classic designs with time saving housing and the guts to last through the years. Maintain safety, bright lights, and experience the true strength of an all American support staff from SLG.

Save 90% with 1 fixture covering 9+ other fixtures.

Save hands-on time with switch selectable covering any bulb-replace lighting changes.

Housing is pre-designed for 4000, 6,700, and 10,400 lumens options to cover your vehicle and energy efficient needs.

Full U.S. based customer service team available for you and your customers ensuring you're covered from start to finish and beyond.

FEATURED LUMINAIRES

	4,000 - 8,400 Lm – CSC LSI LED Selectable Canopy
	6,700 - 23,000 Lm – CGC G1 LED Selectable Gas Station Canopy
	4,320 - 10,400 Lm – PG G3 LED Selectable Parking Garage Round

LED SELECTABLE CANOPY / PARKING GARAGE STOCK GUIDE

A NEW GUIDE FROM SLG LIGHTING

Sometimes it's just best to stick with the classics. No one knows that better than SLG Lighting (Spring Lighting Group). Download their New LED Selectable Canopy/Parking Garage Stock Guide, now available. Find out which classic designs continue to provide quality illumination while saving energy and withstanding the test of time.
