SAFE LIGHTING FROM SHAT-R-SHIELD

Say NO SHANKS to unsafe lighting. Shat-R-Shield Lighting recognized the need for a vandal resistant LED Fixture Line to eliminate or drastically delay tampering or removal of a light fixture within correctional, institutional and recreational facilities. That's why they created their Ironclad VR Line.

“As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.”

- John F. Kennedy
