LET SOUTHWIRE BOX THAT UP FOR YOU

BOXES AND COVERS

Southwire's line of steel boxes and covers is one of the largest lines in the industry.

- 4" Square Boxes & Covers
- 4-11/16" Square Boxes & Covers
- 5" Square Boxes & Covers
- 6" Square Boxes & Covers
- Pan Boxes & Covers
- 4" Octagon Boxes & Covers
- Ceiling Fan Support
- Masonry Boxes
- Handy Boxes & Covers
- Switch Boxes
- Multi-Gang Boxes & Covers
- Life Safety Boxes & Covers
- Plenum Boxes & Covers
- Romex® Brand SmartBox™ Non-Metallic Boxes
- Accessories
- Low Voltage Media Plates

In regards to electrical installations, safety and durability are just as important as functionality. That's where Southwire's premium Boxes & Covers come in.

Electrical Boxes serve as enclosures for wiring connections, switches, and outlets, protecting them from external damage while reducing the risk of electrical hazards. Covers are the finishing touch—ensuring that boxes are securely enclosed, preventing dust, moisture, and accidental contact with live wires.

Tackle DIY home project or manage large-scale electrical installations with Southwire. Ensure electrical connections are safe, secure, and built to last.
