HERE COMES THE SUN... AND SOLTECH

Soltech Smart Solar Lighting is ready to team up with the sun this upcoming Spring.

NEW GOODIES FROM SLG LIGHTING

Introducing the newest additions to SLG's extensive catalog.

A SELECTION GUIDE FROM SHAT-R-SHIELD

Shat-R-Shields shares their Accessory Selection Guide.

SUPER EMPOWER® Solar Light Towers

Solar mobile light towers are perfect for construction sites, mining operations, and natural disasters. SOLTECH solar mobile light towers can be easily moved from place to place, don't need to be connected to a generator or the grid, and provide fantastic light.

HERE COMES THE SUN...AND SOLTECH

Imagine a world where light isn't just powered by the grid but by the boundless energy of the sun. That's exactly what Soltech is bringing to life with its Super Empower® Solar Light Towers, a game-changer in sustainable illumination!

These towers aren't just lights, they're resilient, mobile powerhouses, designed to bring brightness anywhere, from remote job sites to emergency relief zones.
